

Panthera Solutions is growing its team to service the developing oil & gas industry in Guyana. Our aim is to be Guyana's leading provider of industrial solutions and value-added services in asset maintenance and offshore deck services. We are currently looking for individuals to work as **Deck Operative Trainees** and learn the role and responsibilities of a deck operative that will work in an offshore environment. Trainees will be trained in helicopter operations, supply boat operations, cargo and material handling.

As a **Deck Operative Trainee** employee, your key responsibilities will be to execute work safely under supervision and apply industry best practices under the direction of Deck Leads and Supervisors.

Qualifications:

- Commitment to safety and ensuring a safe work environment
- Must be 18 years of age or older
- Successfully completed high school
- Demonstrates through various methods the ability to learn
- Demonstrated technical and/or mechanical aptitude
- Exhibited positive work attitude
- Agreement to work an extended schedule in offshore locations
- Ability to work effectively as part of a team
- Ability to work at height and/or in confined spaces
- Experience working in an offshore environment is considered an asset
- Must be legally able to work in Guyana; preference will be given to Guyanese residents

Panthera Solutions is an equal opportunity employer. Interested candidates can apply directly by sending your CV to talent@panthera-solutions.com. Only suitable candidates will be contacted.
