

Panthera Solutions is growing its team to service the developing oil & gas industry in Guyana. Our aim is to be Guyana's leading provider of industrial solutions and value-added services in asset maintenance and offshore deck services. We are currently looking for individuals to work as **Crane Operators** in an offshore environment.

As a **Crane Operator**, your key responsibilities will be to ensure the safe and efficient operation and general maintenance of various cranes onboard the offshore installation. You will be responsible for lifting and moving/relocating equipment, containers, pipe and other various materials and supplies as required for operations and daily functions of the installation.

Qualifications:

- Commitment to safety and ensuring a safe work environment
- Must be 18 years of age or older
- Successfully completed Level III Offshore Crane Operator Certification
- 1-3 years experience working in Offshore Crane Operations
- Ability to organize and document all required crane operations and maintain documents as required
- Knowledge of offshore deck operations
- Demonstrated technical aptitude
- Exhibited positive work attitude
- Agreement to work an extended schedule in offshore locations
- Ability to work effectively as part of a team
- Ability to work at height and/or in confined spaces
- Must be legally able to work in Guyana; preference will be given to Guyanese residents

Panthera Solutions is an equal opportunity employer. Interested candidates can apply directly by sending your CV to talent@panthera-solutions.com. Only suitable candidates will be contacted.
