

Panthera Solutions is growing its team to service the developing oil & gas industry in Guyana. Our aim is to be Guyana's leading provider of industrial solutions and value-added services in asset maintenance and offshore deck services. We are currently looking for individuals to train as **Offshore Maintenance Technician Trainees** in offshore skilled trades including **painting, scaffolding, insulating, rigging, industrial cleaning and rope access.**

As an **Offshore Maintenance Technician Trainee** your key responsibilities will be to safely execute trade work using your skills and qualifications and apply industry best practices under the direction of trade leads and supervisors.

Qualifications:

- Commitment to safety and ensuring a safe work environment
- Must be 18 years of age or older
- Have completed high school
- Demonstrates through interviews and aptitude testing the ability to learn
- Demonstrates technical and or mechanical aptitude
- Exhibits positive work attitude
- Agreement to work an extended schedule in offshore locations
- Ability to work effectively as part of a team
-
- Ability to work at height and/or in confined spaces
- Experience working in an offshore or industrial environment is considered an asset
- Must be legally able to work in Guyana; preference will be given to Guyanese residents

Panthera Solutions is an equal opportunity employer. Interested candidates can apply directly by sending your CV to **talent@panthera-solutions.com**. Only suitable candidates will be contacted.
